

AL LERMAN

BLUES & ROOTS

2X JUNO Award Winner!

"A solid back porch/organic effort, this old pro has been in the game too long to show up with less than his A-game. Sounding like it came from the swamps of Canada, this just might well be the great north equivalent of Tony Joe White. Check it out."

-MIDWEST RECORD REVIEW, USA

"A big thumbs-up for anyone who likes a little originality. Al Lerman is a troubadour of the first order."

-BLUES BLAST MAGAZINE, USA

"For those looking for great acoustic blues, Al Lerman is a must!"

-ROOTSTIME, BELGIUM

"A real treat for the ears. Fresh and invigorating... you'll find yourself listening to a master of the game. A blues winner."

-THE ROCKER, U.K.
